PERFECTION TAKES TIME!

We smoke our barbecue nearly 16 hours everyday over Pecan wood. This time-consuming process may give the meat a visible, pink tinge called a "Smoke-ring" and is an indicator of authentic barbecue. It also means we can only prepare limited quantities of our products each day. **Get Yours While Supplies Last!**

BABY BACK RIBS WORLD CHAMPIONSHIP WINNER!

Our Babyback Ribs are cut especially for us, lovingly seasoned and smoked for 5 hours over pecan wood, served wet, dry or muddy.
